

## H<sub>2</sub>O Innovation & CAWST are looking for a: VOLUNTEER - SUPPLY CHAIN RESEARCH AND ANALYSIS

### Volunteer Role Descriptions:

The **Volunteer - Supply Chain Research & Analysis** will be travelling to **Zambia** for a period of **2 weeks** in order to support the partner to identify, document and analyze stakeholders and their activities in the supply chain of household water treatment and non-networked sanitation technology. This project will contribute to the design of a Product and Services plan for the partner's project.

### Approximate Travel Timing:

November 2019.

### Responsibilities:

- 🌐 Support partner to conduct market analysis of water and sanitation products and services;
- 🌐 Aggregate and develop documentation on:
  - The local suppliers of non-networked water and sanitation products;
  - The supply chain on product inventory, prices, availability, manufacturing, distribution, and expansion;
  - Access to replacement parts and maintenance.
- 🌐 Set up documentation so that partner can continue to track this information;
- 🌐 Share volunteer experience, learning and inspiration with friends, family, and colleagues.

Note: non-networked means that there is no electricity required and it is not connected to any pipes. The technology includes various types of water filters, and sanitation products like latrines. This role does not require previous experience with these types of technologies.

## Qualities & Criteria's Desired:

- 🌐 Fluent in English;
- 🌐 Able to mentor and coach others;
- 🌐 Adaptable in response of different living conditions and ways to approach a task;
- 🌐 Cultural humility and cross-cultural experience is a must;
- 🌐 Strong ability to work in Excel and other Microsoft Programs;
- 🌐 Strong ability to analyze and synthesize data;
- 🌐 Able to manage ambiguity;
- 🌐 Willing to act as an ambassador for CAWST and H2OInnovation;
- 🌐 Previous travel experience is an asset;
- 🌐 Previous volunteer experience is an asset.

## Ready to make a wave?

The candidate must send the following application requirements documents to [cawst@h2oinnovation.com](mailto:cawst@h2oinnovation.com)

- 🌐 CV / Resume that shares relevant experience to the position
- 🌐 Please respond to the following questions in a word document (word limit: 400 per question):
  - What has motivated you to apply for this volunteer opportunity?
  - Tell us about what makes you a good fit for the role and qualifications. Please include your cross-cultural or volunteer or travel experiences.
  - In what ways do you think working in a different culture and country would be challenging? In what ways do you think working in a different culture and country would be rewarding?
  - How will you prepare for this experience?
  - How would you approach sharing your experience with others and the responsibility of being an ambassador for H<sub>2</sub>O Innovation and CAWST?

## About CAWST

**CAWST's vision:** A world where people have the opportunity to succeed because their basic water and sanitation needs have been met.

**CAWST's mission:** Provide technical training and consulting, and act as a centre of expertise in water and sanitation for the poor in developing countries.
