H₂O Innovation Announces Closing of a \$55 M Credit Facility with National Bank of Canada

Quebec City, December 6, 2021 – (TSXV: HEO) – H₂O Innovation Inc. (“H₂O Innovation” or the “Corporation”) is proud to announce that it has entered into an agreement with National Bank of Canada to increase its revolving credit facility to \$ 55 M. In addition, the term of this facility has been extended to December 1, 2024.

The revolving facility is used to repay entirely the outstanding term loans with National Bank of Canada for an amount of approximately \$14.5 M and the remaining amount is available for general corporate purposes such as working capital, permitted acquisitions and capital expenditures.

“This new credit facility demonstrates the continued support of National Bank of Canada. It will provide greater flexibility to the Corporation’s operations and will support the acquisition strategy described in our 3-Year Strategic Plan”, **stated Frédéric Dugré, President and Chief Executive Officer of H₂O Innovation.**

Prospective disclosure

Certain statements set forth in this press release regarding the operations and the activities of H₂O Innovation as well as other communications by the Corporation to the public that describe more generally management objectives, projections, estimates, expectations or forecasts may constitute forward-looking statements within the meaning of securities legislation. Forward-looking statements concern analysis and other information based on forecast future results, performance and achievements and the estimate of amounts that cannot yet be determined. Those forward-looking statements, based on the current expectations of management, involve a number of risks and uncertainties, known and unknown, which may result in actual and future results, performance, and achievements of the Corporation to be materially different than the said forward-looking statements, such as the reimbursement of the revolving facility as per the term of the Credit Agreement and the completion of the acquisition strategy proposed in the Corporation’s 3-Yeat Strategic Plan.
